Super Speed, Crash Protection & More

HIGH PERFORMANCE

Fastest Firefox Evar

- View Web pages way faster, using less of your computer's memory.
- 6 times faster
- Improved start-up & page load times

Fastest Firefox Evar

The screenshot shows a Firefox window comparing the performance of Firefox 3.6 and Firefox 4 across three benchmarks: Kraken, Sunspider, and v8.

Kraken

Benchmark	Firefox 3.6	Firefox 4	Time
Kraken	Firefox 3.6	Firefox 4	14,293ms vs 5,072ms

Fx4 - more than 3.5x faster!

Sunspider

Benchmark	Firefox 3.6	Firefox 4	Time
Sunspider	Firefox 3.6	Firefox 4	620ms vs 206ms

Fx4 - more than 3x faster!

v8

Benchmark	Firefox 3.6	Firefox 4	Score
v8	Firefox 3.6	Firefox 4	733 vs 5189

Fx4 - more than 6x faster!

Crash Protection

http://www.flickr.com/photos/cannibal_stew/4471818425/

- Recover from a crash of Adobe Flash, Apple QuickTime or Microsoft Silverlight.
- Simply reload the page to restart the plugin and try again

Hardware Acceleration

- Super-fast graphics
- WebGL bring 3D to Firefox

Do Not Track, Anti-Malware & More

ADVANCED SECURITY

Do Not Track

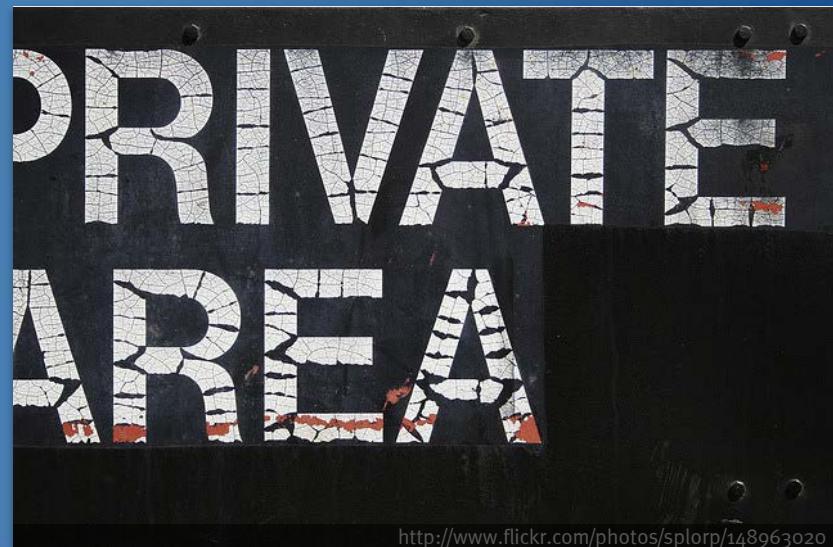

- Opt out of behavioral tracking
- Keep your browsing habits private

Private Browsing

- Slip in and out of private browsing mode quickly to protect your browsing
- Forget This Site
- Clear Recent History

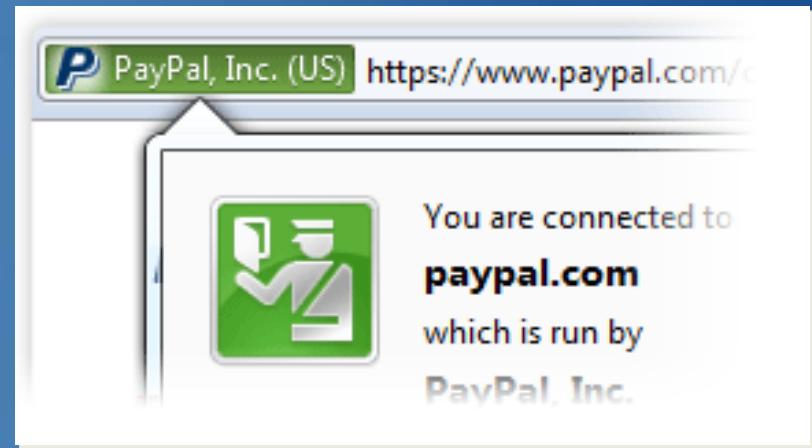

<http://www.flickr.com/photos/splorp/148963020>

Instant Website ID

- Instant identity overview.
- Dig Deeper: How many times have you visited? Are your passwords saved?
- Check up on suspicious sites & avoid Web forgeries

Security Baked-In

<http://www.flickr.com/photos/10404945@N05/1953114740/>

- Anti-Virus Integration
- Anti-Phishing detection
- Better Cross-Site Scripting Protection
- Secure Auto-Updates
- Detect old plug-ins

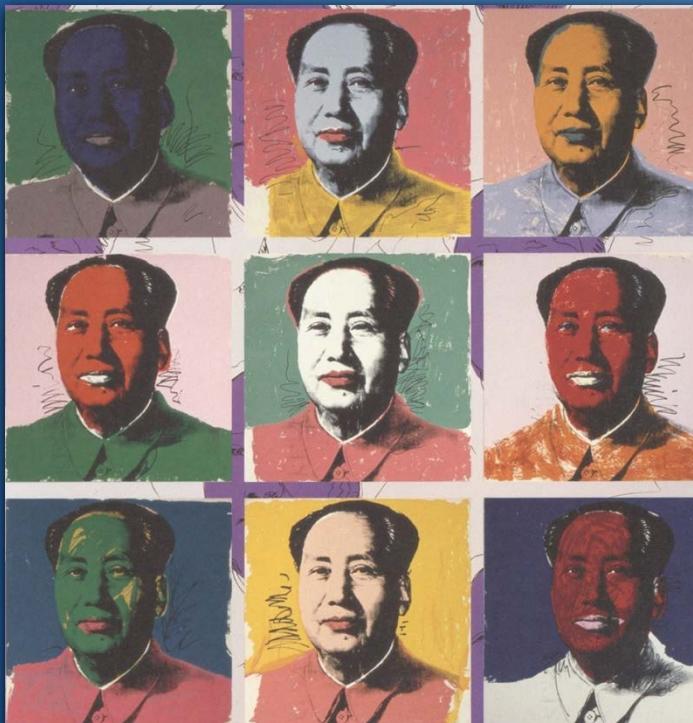

Add-Ons, Personas & More

POWERFUL PERSONALIZATION

Customize with Add-Ons

- Customize your Firefox with thousands of add-ons
- Manage auctions, upload digital photos, see weather forecasts or listen to music in your browser

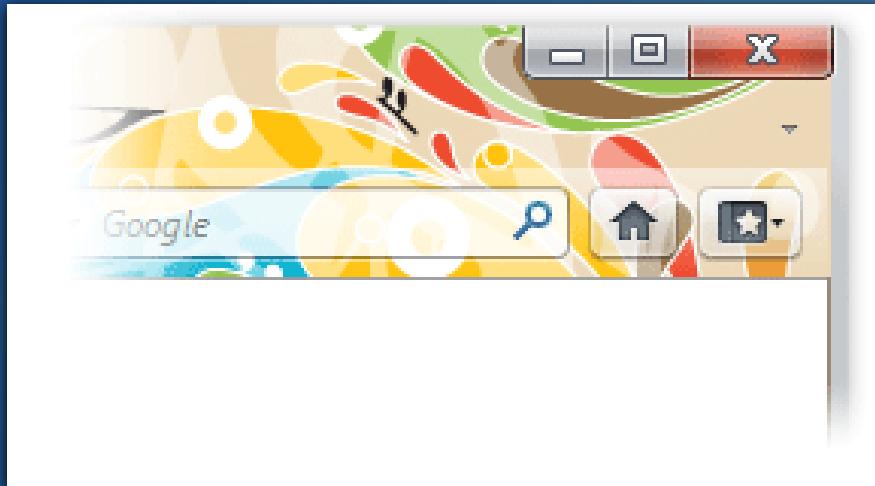

Add-Ons Manager

- Find & install add-ons without leaving Firefox
- Browse ratings, reviews & descriptions
- Auto-update add-ons every time you open the Manager pane.

Dress Up Firefox with Personas

- Change the look of your Firefox to practically anything with Personas
- Thousands of easy-to-install themes created by users from around the world (or that you make yourself!).

Beyond Add-Ons

- Add new search engines, change toolbar prefs, customize your browser's navigation & more.
- Set a Web mail client open up when you click on an address
- Set up a news reader in your browser for your blogs and feeds

HTML5, CSS3 & More

THE CUTTING EDGE
